Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.
Give Form W-4 to your employer.
 Your withholding is subject to review by the IRS.

2024

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2:
Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000	\$ _____	
	Multiply the number of other dependents by \$500	\$ _____	
	Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here		3 \$ _____
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income		4(a) \$ _____
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here		4(b) \$ _____
	(c) Extra withholding. Enter any additional tax you want withheld each pay period		4(c) \$ _____

Step 5:
Sign Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Employee's signature (This form is not valid unless you sign it.)

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$29,200 if you're married filing jointly or a qualifying surviving spouse; \$21,900 if you're head of household; \$14,600 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

Privacy Act and Paperwork Reduction Act Notice. We ask for the information on this form to carry out the Internal Revenue laws of the United States. Internal Revenue Code sections 3402(f)(2) and 6109 and their regulations require you to provide this information; your employer uses it to determine your federal income tax withholding. Failure to provide a properly completed form will result in your being treated as a single person with no other entries on the form; providing fraudulent information may subject you to penalties. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation; to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their tax laws; and to the Department of Health and Human Services for use in the National Directory of New Hires. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by Code section 6103.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

REV-419 EX (05-10)
**Employee's Nonwithholding
 Application Certificate** **20**
 PA DEPARTMENT OF REVENUE

OFFICIAL USE ONLY

Purpose. Complete Form REV-419 so that your employer can withhold the correct Pennsylvania personal income tax from your pay. Complete a new Form REV-419 every year or when your personal or financial situation changes. Photocopies of this form are acceptable.

Note: Unless the state of residence changes, residents of the reciprocal states listed in the next paragraph do not need to refile this application every year.

Who is Eligible for Nonwithholding? You may be entitled to nonwithholding of PA personal income tax if you incurred no liability for income tax the preceding tax year and/or you anticipate that you will incur no liability for income tax during the current tax year, according to the Special Tax Provisions of section 304 of the Tax Reform Code, the Servicemember Civil Relief Act (SCRA) or as a resident of the reciprocal state of Indiana, Maryland, New Jersey, Ohio, Virginia or West Virginia and your employer agrees to withhold the income tax from that state.

When to Claim? File this certificate with your employer as soon as you determine you are entitled to claim nonwithholding. You must file a certificate each year you are eligible (see Note above for an exception). If you are employed by more than one employer you must file a separate REV-419 with each employer.

Responsibilities of Employee. You must revoke this certification within 10 days from the day you anticipate you will incur PA personal income tax liability for the current tax year. To discontinue or revoke this certification, submit notification in writing to your employer. Claimants who qualify for complete Tax Forgiveness under section 304 of the Tax Reform Code must file a PA-40, Pennsylvania Personal Income Tax Return, and Schedule SP to claim Tax Forgiveness even if they are eligible for nonwithholding.

Under the SCRA, as amended by the Military Spouses Residency Relief Act, you may be exempt from PA personal income tax on your wages if (i) your spouse is a member of the armed forces present in PA in compliance with military orders; (ii) you are present in PA solely to be with your spouse; and (iii) you and your spouse both maintain the same domicile (state residency) in another state. If you claim exemption under the SCRA, enter your state of domicile (legal residence) on Line d below and attach a copy of your spousal military identification card and your spouse's current military orders to form REV-419.

Responsibilities of Employer.

If you agree not to withhold PA tax because your employee is a resident of a reciprocal state, you must withhold the other state's tax.

Retain Form REV-419 with your records. You are required to submit a copy of this certificate

and accompanying attachments to the PA DEPARTMENT OF REVENUE, BUREAU OF BUSINESS TRUST FUND TAXES, PO BOX 280904, HARRISBURG, PA 17128-0904, when:

1. you have reason to believe this certificate is incorrect;
2. the PA taxable gross compensation of any employee who claimed either exemption from nonwithholding a or b below exceeds \$1,625 for any quarter;
3. the employee claims an exemption from withholding on the basis of residence in a reciprocal state (Indiana, Maryland, New Jersey, Ohio, Virginia or West Virginia) and therefore, you agree to withhold income tax of the employee's state of residence; or
4. the employee claims an exemption from withholding under the SCRA as amended by the Military Spouses Residency Relief Act.

Department's Responsibility. Upon receipt of any exemption application, the department will make a determination and notify the employer if a change is required. If the department disapproves the application, the employer must immediately commence withholding at the regular rate. Once a certificate is revoked by the department, the employer must send any new application received from the employee to the department for approval before implementing the nonwithholding.

Please print or type. A fill-in form may be obtained from www.revenue.state.pa.us.

Your employer shall provide payment for reasonable surgical and medical services, services rendered by physicians or other health care providers, medicines and supplies, as and when needed.

Your employer, in compliance with the Workers' Compensation Act, has posted a list of at least six (6) medical providers from which you are to select. You are to obtain treatment from one of the providers of your choice for ninety (90) days from the date of your first visit.

If you are faced with an immediate medical emergency, you may secure assistance from the closest hospital, physician or other health care provider of your choice. If follow up treatment is needed, you must seek treatment from a physician or other health care provider listed on your employer's physician panel list for the first ninety (90) days from the date of your first treatment.

If during the initial 90-day period you wish to change medical providers, you must once again re-visit your employer's panel and select a new physician. If you do not seek treatment from a provider on the panel list for the initial 90 days following your first visit, your employer will not have to pay for the services rendered.

If one of the listed providers recommends invasive surgery, you are entitled to a second opinion from a physician of your choice. Should your physician's opinion differ, and you choose that option, the panel physician will abide by same for 90 days.

After the initial 90-day period, if additional or continued treatment is needed, you may now choose to go to another physician or health care provider of your choice. Should you decide to change providers, you must notify your employer within five (5) days of your first visit with your new provider. Failure to notify your employer will relieve your employer of the responsibility for the payment of the services rendered if such services are determined to have been unreasonable or unnecessary.

- If a listed provider prescribes surgery for you, you have the RIGHT to receive a second opinion from any provider of your choice. IMPORTANT: The requirements your employer must meet to have a valid list of at least 6 providers are shown on the reverse of this form. You must notify your employer within five days of the first visit to any provider who is not on your employer's list.
