# La Salle ResNet Wireless Instructions

Windows 7

Click on the wireless icon in the system tray

Select La Salle ResNet Wireless and click Connect

You will be prompted for credentials.

You will use your user name and password from the Student network (labs).

Make sure that your user name is preceded with "LUNA\"

You will be prompted with a security check.

Click connect to finalize the process

You will now be connected to La Salle ResNet Wireless and you should follow the procedure to login through Cisco NAC Agent. The next time you connect to the wireless network, your computer should automatically reconnect using the username and password previously supplied.
